**Bodet announce Distribution agreement with D.J. Kilpatrick & Co**

*- Northern Ireland company named as Bodet Distributor -*

27 September, 2011: Bodet, a leading provider of clock and timing systems has agreed an exclusive deal with D.J. Kilpatrick & Co, one of Northern Irelands leading distributors of sound and communication systems, to distribute Bodet clock and timing systems in Northern Ireland.

The agreement means D.J. Kilpatrick & Co will be the sole and exclusive supplier of Bodet clock and timing solutions throughout Northern Ireland. So far, three D.J. Kilpatrick & Co staff have travelled to France for training at Bodet's global headquarters.

The company will work across a variety of industries, to synchronise clock, timing, electrical and electronic systems. The company currently work in a variety of sectors including education, hospitals, rail transport, airport, food production, manufacturing and finance and banking.

Bodet already has an established customer base in Northern Ireland.

Customers include: Atlas Communications, Balmoral Hotel, Belfast City Airport, Building Design Partnership, Carrickfergus Borough Council, Clarawood School, Environment & Heritage Services, Glengormley Post Office, Harvey Group Plc, Henning Bros. Fishing Co Ltd, Interclean Ltd , NFU – Belfast, NI Federation Of Housing Associations, Northern Ireland Fire & Rescue Service, Northern Ireland Housing Executive, Northern Ireland Water, Olympic Fixings Ireland Ltd, Open Door Housing Association, Solicitors Practice, The Dry Arch Children'S Centres, Total Architecture, United Optical Laboratories, Vaughan Engineering Services Ltd.

Jim Hooks, Managing Director of D.J. Kilpatrick & Co said, “We are delighted to be working with Bodet. The company has a history and a quality that is second-to-none. Bodet are named by brand on the majority of tenders, as-a-result, there was only one company to partner with when looking to provide time related solutions.”

Marc Clavereau, Managing Director of Bodet Limited comments, “D.J. Kilpatrick & Co are an innovative company within an exciting geographic market. They share many of the same values as Bodet, such as a commitment to product quality and outstanding customer service. We are pleased to be working with them and look forward to a long and productive relationship.”

**About: D.J. Kilpatrick**

D.J. Kilpatrick & Co Ltd was formed in 1968 to provide the highest quality sound and communication systems to trade customers in Northern Ireland. As a leading distributor committed to outstanding quality-of-service the company provide a range of products including public address, pro sound, CCTV, door entry and conference equipment from a variety of brands including Baldwin Boxall, TOA, Philips and Cloud.

**About: Bodet**

Bodet designs and manufactures a wide range of professional equipment – hardware and software, all dedicated to time management, already installed and trusted by thousands of businesses all over the UK.

As a European group, Bodet specialises in a number of areas including clock, bell and timing systems, score board technology for stadiums, time and attendance software and on-line access control systems.

Bodet also offers these solutions to small, medium and large companies with innovative Time Recording Systems to monitor employee attendance. Bodet Access Control Systems secure a premise with programmable access to restricted areas and provide a safe working environment for employees. Bodet manufactures a range of master clocks and dials, from individual analogue or digital display clocks to fully synchronised Clock Systems.

Bodet has supplied schools throughout the UK and Europe with Clock and Bell Systems combining design and technology, featuring various ringing schedules and customised ringtones.
