About Bodet Limited

Bodet has been offering Time and Attendance solutions and Access Control Systems for over 25 years.

Bodet's devotion to constant improvement has enabled Bodet to become the European leader in the Time Management sector.

Saxlingham Nursing Home's commitment to providing high standards of care and accommodation has led them to use Bodet's Time and Attendance system to ensure care is always available when it is needed.

Theresa Parfitt, Manager at Saxlingham Nursing Home has been using Bodet's Time and Attendance system for over 10 years to manage its entire workforce of 125 employees.

An easy to use and straightforward solution

When Saxlingham Nursing Home decided to purchase a Time and Attendance system it researched several providers.

"We wanted an easy to use system to track employees and help us calculate payroll. Bodet's Time and Attendance System is a straightforward and easy to use system for employees and administrators".

Tailored for the needs of a Care Home

Theresa explained how Bodet's system is tailored for them. *"Bodet's Time and Attendance Software enables us to manage all of our shift patterns and to print out the information needed to input into our payroll system".*

Theresa concluded by saying that *"the system suits our needs and we are very pleased with the service we've received".*
