869MHz DHF radio transmission
Transmission signal range: 200 metres

Place	Description	Recommendation	Alternatives
① service room	The modular Sigma master clock, Radio/GPS synchronised, Time coded output signal, output: IP, RS232/422. 230v power supply.	 or  Sigma Mod	Sigma H Sigma P Sigma Time Center with dual master clock plus Sigma Switch
② computer network	Modular master clock Wireless time distribution, NTP time server for LAN or WAN computer network 230v power supply	A	
③ managing director office	Backlit LCD calendar clock 230v power supply	 A Opalys Date	Cristalys Date Opalys Ellipse Cristalys Ellipse Style 5 Date
④ offices, meeting room	LCD calendar clock Battery power supply	 B or C Cristalys Date	Style 7 Date Cristalys Ellipse Profil 930 I
⑤ open spaces	LED digital clock. Hour, minute 230v power supply	 A Style 12	Cristalys 7 Style 7 Profil 940 I
⑥ corridors	LCD clock Hour, Minute Battery power supply	 B or C Cristalys 7	Profil 930 Style 5
⑦ carpark	Luminous digital clock with high brightness LED Hour, minute date or temperature. 1.20m visibility. 25cm digit height	 A HMT LED	Profil 960 E Tower clock Style 12 E
⑧ workshop	Analogue clock Weatherproof, hour, minute 60cm diameter 230v power supply	 A Profil 960 E	Profil 960 I HMT LED 20 or 25 Style 12 I
