

## Bath Community Academy gets the most out of its teaching time with Bodet's Class Change System

### SUMMARY

#### Overview

Industry: Education  
Solution: Class change system

#### Benefits

- Increased learning time
- Set up class change schedules easily
- Different melody choices

*Bath Community Academy is a new co-educational academy which opened in September 2012.*

### A Quality System

The key objective of the academy is to **maximise the educational experience and achievements of each student**. Following a recommendation from Wellsway School in Keynsham, Bath Community Academy decided to install Bodet's widely used class change system.

Dan Copp, IT manager at the academy explained that *"before using Bodet's solution classes either started too late or too early. But since we installed the class change system, **classes always start and finish on time**"*.

### High Level of Customer Service

Dan went on to say that *"Bodet provides **outstanding sales service**. Engineers are **always very flexible** and ensure that the customer's needs are met"*.

### Essential for the School Environment

*Dan thinks that Bodet's class change system is a **"robust, stable and essential system"**. He even wonders **"how the academy worked without it!"***

### About Bodet Limited

Bodet has provided clocks, class change and Time and Attendance solutions for over 25 years.

This devotion to constant improvement has enabled Bodet to become the European leader in its sector.
